Update 17 February 2022

Remark

- Students must be prepared to take the online examination via Google Classroom and Google Form.
- For each exam subject, students are required to be logged on to Google Classroom and link to the final examination on Google Form 5 minutes before the examination is scheduled to begin.
- Students are not allowed to use any calculating devices except when allowed specifically by their teachers
- For unscheduled examinations, teachers are required to make all the preparation for their own classes.
- In case of cheating, the examination papers will not be marked and graded.
