Update 17 February 2022

Remark

1. Students must be prepared to take the online examination via Google Classroom and Google Form.
2. For each exam subject, students are required to be logged on to Google Classroom and link to the final examination on Google Form 5 minutes before the examination is scheduled to begin.
3. Students are not allowed to use any calculating devices except when allowed specifically by their teachers
4. For unscheduled examinations, teachers are required to make all the preparation for their own classes.
5. In case of cheating, the examination papers will not be marked and graded.
